About GSAFE

Mission Statement: Gay Straight Alliance for Safe Schools (GSAFE) increases the capacity of LGBTQ youth and students, educational staff, & families to create school environments where all LGBTQ youth and students thrive. We do this by:

- Developing the leadership of LGBTQ youth and students,
- Supporting Gay-Straight Alliances,
- Training educational staff on creating safe and supportive school environments,
- Deepening racial, gender, and social justice, and
- Advancing educational justice.

Strategy Statement: We have identified the following as major themes in our work-to-come:

Strengthening Regional Work: In order to provide more intensive support to students, educators, administrators, and parents, we are looking to build stronger infrastructure and relationships in key regions of Wisconsin.

Deepening Racial Justice: We are working with national experts to design specific programs and staff positions devoted to working with students of color and low-income youth who are also LGBTQ. This also includes incorporating racial justice into all of our work so that we are building a movement where all LGBTQ youth can bring their full selves.

Advancing Educational Justice: Educational Justice is a framework for improving schools so that LGBTQ youth, youth of color, low-income youth, and youth with disabilities all thrive. This work includes helping to build a statewide Educational Justice Coalition to build community support for statewide and school-district level educational justice policy.
